ELAINE F. MARSHALL  
SECRETARY OF STATE

December 2013

Each year, as we embark on the season of giving, the North Carolina Department of the Secretary of State Charitable Solicitation Licensing (CSL) Division issues the **Charitable Solicitation Licensing Division Annual Report**.

This report includes financial information related only to those charities using a professional fundraiser and otherwise required by law to register with the Department of the Secretary of State. This year, on a national level, there has been a great deal of attention given to the fundraising campaigns run by professional solicitors. A significant amount of the dollars donated to charities each year flow through professional solicitors and there is more and more scrutiny as to how much of those dollars the professional fundraisers keep for themselves versus how much of each dollar goes to charitable programs.

This year, North Carolinians responded to solicitations from professional fundraisers in the amount of \$32,160,894. Of those donated dollars, \$16,251,956 went directly to the charity for which the campaign was being conducted, resulting in an average 50.53% return to the charity for each dollar donated. In contrast, national solicitation campaigns that included North Carolina citizens that were reported to our office reflected \$494,512,696 in gross dollars donated, with only \$227,542,452, or 46.01% of each donated dollar actually going to the charitable organization. While overall giving is down this year both nationally and in North Carolina, I am pleased to see that here in North Carolina more of our dollars continue to go to the actual charitable organizations rather than to professional fundraiser costs.

This year, the CSL Enforcement Unit continued its focus on bringing charities and professional fundraisers into compliance with our solicitation laws. They have also engaged in investigative efforts related to consumer scams involving charitable appeals. There is a detailed summary included in the report that outlines the enforcement activity that took place this year.

The Department is committed to making sure consumers have easy access to information that can help you make informed giving decisions. On our website ([www.sosnc.com](http://www.sosnc.com)), we maintain a searchable database of detailed reports for specific individual fundraising campaigns, as well as financial information for all charities licensed to solicit contributions in our State. I urge you to access this information prior to making a giving decision. And, whenever in doubt, give locally to charities whose activities and efforts you can see in your own community.

Each year at this time, I am humbled by the continued generosity of North Carolinians and I thank you again for your incredible support for charities working to improve our State.

Yours truly,

A handwritten signature in cursive script that reads "Elaine F. Marshall".

Elaine F. Marshall

# Section One:

## Executive Summary of Professional Solicitor Activities

The Executive Summary serves as an overview of the percentage of contributions charities receive from professional fundraisers. This information has been entered un-audited from final accounting reports filed by the fundraisers with the Charitable Solicitation Licensing Division of the North Carolina Department of the Secretary of State. Some final accounting reports filed with the Department reflect planned giving campaigns that may not immediately realize results.

This section of the Annual Report reflects two significantly different sets of data. The first set of data reflects reported solicitation activities and contributions solely from North Carolina citizens. The second set of data in this section reflects data reported for national solicitation campaigns that include North Carolina citizens. Individual final accounting reports provided by a filing organization should be consulted to obtain the most complete and thorough information.

To make the Report the most useful to consumers it is provided in two versions. One is sorted by Solicitor name and the other by Charity name.

To obtain a copy of a final accounting report on record with the Charitable Solicitation Licensing Division, go to [www.sosnc.com](http://www.sosnc.com), click on “Charitable Solicitations”, and then click on “Search Our Registry.” In the Search box, enter the name of the professional solicitor whose financial information you seek. Once the CSL Search Results box appears, click on the solicitor’s name to access the file. When the file appears, click on “Campaign Information” (this will be at the bottom of the page). Go to the most recent year’s filings and click on the folder icon. If a final accounting report is on file, it will appear in the filing under the title “Final Accounting.” You will be able to view a PDF version of the final accounting report on file with the Department.

*(Note: The information in this section does not include data representative of staff level fundraising professionals employed directly by charitable organizations in the State.)*

## Section Three:

### Exempt Organizations

North Carolina General Statute 131F provides for a number of exemptions from the law. To obtain an exemption from the statute, a charitable or sponsor organization may submit to the Department a written request for exemption with supporting documentation. Upon approval of the exemption request, the charitable organization will receive a letter of exemption from the Department. A charity may be exempt, but may not be included in this Registry if it has not requested an exemption from the Department. The Department has the authority to review and/or cancel an exemption at any time.

The following entities are exempt under the provisions of Chapter 131F-3. The following report of exempt organizations on file with the Department includes a column labeled "Exempt No." The numbers in that column correspond to the exemptions listed below.

- |           |   |
|-----------|---|
| 131F-3(1) | Any person who solicits charitable contributions for a religious institution.   |
| 131F-3(2) | Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.  |
| 131F-3(3) | Any person who receives less than twenty-five thousand dollars (\$25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor.<br><i>(Note: This exemption requires an annual review of an organization's financial information by the Department.)</i>   |
| 131F-3(4) | Any educational institution, the curriculum of which, in whole or part, is registered, approved, or accredited by the Southern Association of Colleges and Schools or an equivalent regional accrediting body, and any educational institution in compliance with Article 39 of Chapter 115C of the General Statutes, any foundation or department having an established identity with any of these educational institutions, and any organization with a membership that is composed solely of 20 or more educational institutions as defined in this Chapter. |

*Exemptions under 131F Continued*

- 131F-3(5) Any hospital licensed pursuant to Article 5 of Chapter 131E or Article 2 of Chapter 122C of the General Statutes and any foundation or department having an established identity with that hospital if the governing body of the hospital, authorizes the solicitation and receives an accounting of the funds collected and expended.
- 131F-3(6) Any noncommercial radio or television station.
- 131F-3(7) A qualified community trust as provided in 26 C.F.R. § 1.170A-9(e)(10) through (e)(14).
- 131F-3(8) A bona fide volunteer or bona fide employee or salaried officer of a charitable organization or sponsor.
- 131F-3(9) An attorney, investment counselor, or banker who advises a person to make a charitable contribution.
- 131F-3(10) A volunteer fire department, REACT (Radio Emergency Associated Communications Teams), rescue squad, or emergency medical service.
- 131F-3(11) A Young Men's Christian Association or a Young Women's Christian Association.
- 131F-3(12) A nonprofit continuing care facility licensed under Article 64 of Chapter 58 of the General Statutes.
- 131F-3(13) Any tax exempt nonprofit fire or emergency medical service organization involved in the sale of goods or services that does not ask for a donation.

*(Note: Some organizations in this list have an "SL" number in the License column rather than an "EX" number. This indicates the organization at one time had a charitable license but now qualifies for an exemption under N.C.G.S. 131F.)*

## Section Four:

# Professional Fundraisers Registered in North Carolina to Act on Behalf of Charitable or Sponsor Organizations

A professional fundraiser generally is a person or corporation that is paid by a charitable or sponsor organization to raise money on the charity's behalf. The for-profit business usually arranges a flat fee or charges the charity a percentage of the donations collected on the charity's behalf.

*(Note: The information in this section does not include data representing fundraising/development staff members employed directly by charitable organizations. This data includes only fundraising professionals that are contracted by charitable or sponsor organizations and are not members of the charity's staff.)*

The Charitable Solicitation Licensing Division maintains a registry of professional fundraisers licensed to act on behalf of organizations soliciting North Carolina residents using a charitable or civic appeal. There are two types of professional fundraisers defined by N.C.G.S. 131F.

A **Fundraising Consultant** is a professional who is paid to advise a charity or sponsor organization on its fundraising activities, but does not solicit contributions directly and does not at any time have custody or control of contributions.

A **Solicitor** is any person who, for compensation, does not qualify as a fundraising consultant and either 1) performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor or 2) plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor. A solicitor in North Carolina is required to obtain a bond with a surety authorized to do business in North Carolina and to which the Solicitor is the principal obligor.

The following list of those professional fundraisers who have a current license to conduct business with charities or sponsor organizations in North Carolina is divided into two sections, 1) Fundraising Consultants and 2) Solicitors.

## **Section Five:**

### **Contracts Submitted by Solicitors Conducting Solicitation Campaigns in North Carolina**

By law, the Charitable Solicitation Licensing Division oversees the activities of professional fundraisers who solicit contributions from North Carolina residents on behalf of charitable or sponsor organizations. Professional fundraisers are required to file with the Department a copy of each contract the fundraiser has with a charitable or sponsor organization along with a Final Accounting Report for the solicitation campaign.

The following is a list of submitted contracts indicating the fixed percentage of gross revenue the charitable organization will receive as a benefit from the campaign, or a reasonable estimate of the percentage of the gross revenue the charitable organization will receive as a benefit from the campaign, or the guaranteed minimum percentage of the gross revenue the charitable organization will receive as a benefit from the campaign.

In some cases, a charity has entered into more than one contract with the same solicitor in the time period covered in this Report. In this instance, the reader will see multiple entries for the charity and the solicitor, however the details of the contract may vary.

## **Section Six:**

# **Charitable or Sponsor Organizations Filing an Optional Audited Financial Statement**

Audited financial statements are not a requirement under N.C.G.S 131F; however, they are strongly recommended. Such statements provide the public with a wealth of information that can be used to make knowledgeable and informed giving decisions. The Department includes in the Annual Report a list of those charitable or sponsor organizations opting to submit an audited financial statement or an audit with opinion prepared by an independent Certified Public Accountant.

To obtain a copy of an audited financial statement on record with the Charitable Solicitation Licensing Division, go to [www.sosnc.com](http://www.sosnc.com), click on “Charitable Solicitations”, and then click on “Search Our Registry.” In the Search box, enter the name of the Organization whose financial statement you seek. Once the CSL Search Results box appears, click on the organization’s name to access the file. When the organization’s file appears, click on “Document Filings” (this will be at the bottom of the page). Go to the most recent year’s filings and click on the folder icon. If a financial statement is on file, it will appear in the filing under the title “Audit.” You will be able to view a PDF version of the financial statement or audit on file with the Department.

# **Enforcement Report**

A function of the Charitable Solicitation Licensing Division (CSL) of the North Carolina Department of the Secretary of State is to enforce the Charitable Solicitation Act found at Chapter 131F of the North Carolina General Statutes and the related Rules found in Chapter 11 of Title 18 of the North Carolina Administrative Code. Enforcement actions are taken on behalf of the citizens of North Carolina in the public interest. In response to internal leads and concerns and inquiries from the public and the media, the CSL Enforcement Unit conducts investigations to determine whether violations of the Charitable Solicitation Act and relevant Rules have occurred. Areas of investigation include, but are not limited to, appropriate public disclosure of a charitable solicitation; how charitable organizations and the professional fundraising professionals they employ solicit charitable contributions; solicitations made by charitable organizations without a valid, current license; contractual relationships entered into by unlicensed professional fundraisers; and whether solicited funds are being used for the purpose(s) represented by the charity and expected by the public.

This section of the Annual Report includes the following information for the current reporting period: 1) overall investigation statistics for the Enforcement Unit; 2) a grid outlining possible statutory violations and the number of complaints per violation received by the CSL Division; and 3) a summary of CSL enforcement actions completed and the current status of investigated organizations.

*This version of Chapter 131F omits article headings and historical footnotes.*

### **§ 131F-1. Purpose.**

The General Assembly recognizes the right of persons or organizations to conduct solicitation activities. It is the intent of the General Assembly to protect the public by requiring full disclosure by persons who solicit contributions from the public of the purposes for which the contributions are solicited and how the contributions are actually used. It is the intent of the General Assembly to prohibit deception, fraud, and misrepresentation in the solicitation and reporting of contributions.

### **§ 131F-2. Definitions.**

The following definitions apply in this Chapter:

- (1) "Association" means any voluntary statewide organization of persons for common ends especially as in an organized group working together or periodically meeting because of common interests, beliefs, or professions. These associations may serve charitable organizations including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.
- (2) "Charitable" means for a benevolent purpose, including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.
- (3) "Charitable organization" means any person who has or holds out as having a section 501(c)(3) tax exempt determination by the Internal Revenue Service and operates for a charitable purpose, or a person who is or holds himself out to be established for a charitable or civic purpose; or a person who employs a charitable or civic appeal as the basis of a solicitation, or employs an appeal that suggests there is a charitable or civic purpose for the appeal. "Charitable organization" includes a chapter, branch, area office, or similar affiliate soliciting contributions within the State for a charitable organization which has its principal place of business outside the State.

- (4) "Charitable sales promotion" means an advertising or sales campaign that represents that the purchase or use of goods or services offered by a coventurer is to benefit a charitable organization. The provision of advertising services alone to a charitable organization does not constitute a charitable sales promotion.
- (4a) "Collection Receptacle" means an unattended box, bin, canister, or other similar container used for the solicitation and collection of clothing and household goods and other miscellaneous items.
- (5) "Contribution" means a promise, pledge, grant of any money or property, financial assistance, or any other thing of value in response to a solicitation. "Contribution" includes, in the case of a charitable organization or sponsor offering a good or service to the public, the excess of the price at which the charitable organization or sponsor or any person acting on behalf of the charitable organization or sponsor sells the good or service to the public over the fair market value of the good or service. "Contribution" does not include bona fide fees, dues, or assessments paid by members if the membership is not conferred solely as consideration for making a contribution in response to a solicitation. "Contribution" does not include funds obtained by a charitable organization or sponsor under government grants or contracts.
- (6) "Coventurer" means any person who, for compensation, conducts a charitable sales promotion or a sponsor sales promotion, other than in connection with the solicitation of contributions.
- (7) "Department" means the Department of the Secretary of State.
- (8) "Emergency service employees" means employees who are firefighters, ambulance drivers, emergency medical technicians, or paramedics.
- (9) "Federated fund-raising organization" means a federation of independent charitable organizations which have voluntarily joined together, including a united way, united arts fund, or community chest, for the purpose of raising and distributing contributions and where membership does not confer operating authority and control of the individual organization upon the federated group organization.
- (10) "Fund-raising consultant" means any person who meets all of the following:
- a. Is retained by a charitable organization or sponsor for a fixed fee or rate under a written agreement to plan, manage, conduct, consult, or prepare material for the solicitation of contributions in this State.
  - b. Does not solicit contributions or employ, procure, or engage any person to solicit contributions.
  - c. Does not at any time have custody or control of contributions.

Fund-raising costs include salaries, rent, acquiring and obtaining mailing lists, printing, mailing, all direct and indirect costs of soliciting, and the cost of unsolicited merchandise sent to encourage contributions.

- (12) "Law enforcement officers" means persons who are elected, appointed, or employed by the State or any political subdivision of the State and who meet either of the following:
- a. Are vested with the authority to bear arms and make arrests and have primary responsibility to prevent and detect crime or enforce the criminal, traffic, or highway laws of the State.
  - b. Have responsibility for supervision, protection, care, custody, or control of inmates within a correctional institution.
- (12a) "Maintenance" means to keep in working order in order to ensure that something continues to work properly and includes regular checks and the completion of any required repairs and adjustments.
- (13) "Membership" means the relationship of a person to an organization that entitles that person to the privileges, professional standing, honors, or other direct benefits of the organization in addition to the right to vote, elect officers, and hold office in the organization.
- (14) "Owner" means any person who has a direct or indirect interest in any fund-raising consultant or solicitor.
- (15) "Parent organization" means that part of a charitable organization or sponsor which coordinates, supervises, or exercises control over policy, fund-raising, and expenditures, or assists or advises one or more chapters, branches, or affiliates of a charitable organization or sponsor.
- (16) "Person" means any individual, organization, trust, foundation, association, group, entity, partnership, corporation, society, or any combination of these acting as a unit.
- (17) "Religious institution" means any church, ecclesiastical, or denominational organization, or any established physical place for worship in this State at which nonprofit religious services and activities are regularly conducted, and any bona fide religious groups that do not maintain specific places of worship. "Religious institution" includes any separate group or corporation that forms an integral part of a religious institution that is exempt from federal income tax under the provisions of section 501(c)(3) of the Internal Revenue Code, and that is primarily supported by funds solicited inside its own membership or congregation.
- (18) "Solicitation" means a request, directly or indirectly, for money, property, financial assistance, or any other thing of value on the plea or representation that it will be used for a charitable or sponsor purpose or will benefit a charitable organization or sponsor. "Solicitation" may occur by any of the following methods:
- a. Any oral or written request.
  - b. Any announcement to the press, radio, or television, by telephone or telegraph, or by any other communication device.
  - c. Distributing, posting, or publishing any handbill, written advertisement, or other publication that directly or by implication seeks to obtain any contribution.

- d. Selling or offering or attempting to sell any good, service, chance, right, or any thing of value to benefit a charitable organization or sponsor.
- e. Placing or maintaining a collection receptacle in public view for the purpose of collecting donated clothing, household items, and other items for resale.

The selling or offering or attempting to sell is a "solicitation" whether or not the person making the solicitation receives any contribution. It is not a "solicitation" when a person applies for a grant or an award to the government or to an organization that is exempt from federal income taxation under section 501(a) of the Internal Revenue Code and described in section 501(c) of the Internal Revenue Code.

- (19) "Solicitor" means any person who, for compensation, does not qualify as a fund-raising consultant and does either of the following:
  - a. Performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor.
  - b. Plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor.
- (20) "Sponsor" means a person who is or holds out to others as soliciting contributions by the use of any name that implies affiliation with emergency service employees or law enforcement officers and who is not a charitable organization. "Sponsor" includes a chapter, branch, or affiliate that has its principal place of business outside the State, if this chapter, branch, or affiliate solicits or holds out to be soliciting contributions in this State.
- (21) "Sponsor purpose" means any program or endeavor performed to benefit emergency service employees or law enforcement officers.
- (22) "Sponsor sales promotion" means an advertising or sales campaign conducted by a coventurer who represents that the purchase or use of goods or services offered by the coventurer will be used for a sponsor purpose or donated to a sponsor. The provision of advertising services alone to a sponsor does not constitute a sponsor sales promotion.

(b) Subpoena Power. – The Department may issue and serve subpoenas and subpoenas duces tecum to compel the attendance of witnesses and the production of all books, accounts, records, and other documents and materials relevant to an examination or investigation. The Department, or its duly authorized representative, may administer oaths and affirmations to any person.

(c) Court Action. – In the event of substantial noncompliance with a subpoena or subpoena duces tecum issued or caused to be issued by the Department, the Department may petition the superior court of the county in which the person subpoenaed resides or has the principal place of business for an order requiring the subpoenaed person to appear and testify and to produce any books, accounts, records, and other documents as are specified in the subpoena duces tecum. The court may grant injunctive relief restraining the person from collecting contributions and any other relief, including the restraint by injunction or appointment of a receiver, or any transfer, pledge, assignment, or other disposition of the person's assets, or any concealment, alteration, destruction, or other disposition of subpoenaed books, accounts, records, or other documents and materials as the court deems appropriate, until the person or organization has fully complied with the subpoena or subpoena duces tecum and the Department has completed its investigation or examination. The court may also order the person to produce a financial statement that has been audited by an independent certified public accountant. Costs incurred by the Department to obtain an order granting, in whole or in part, a petition for enforcement of a subpoena or subpoena duces tecum shall be taxed against the subpoenaed person and failure to comply with the order shall be contempt of court.

(d) Violations. – The Department may enter an order imposing one or more of the penalties set forth in subsection (e) of this section if the Department finds that a charitable organization, sponsor, fund-raising consultant, or solicitor, or their officers, agents, directors, or employees have engaged in any of the following acts:

- (1) Violated or is operating in violation of any of the provisions of this Chapter or of the rules adopted or orders issued under this Chapter.
- (2) Made a false statement in an application, statement, or report required to be filed under this Chapter.

(e) Penalties. – Upon a finding as set forth in subsection (d) of this section, the Department may enter an order as follows:

- (1) Imposing an administrative penalty not to exceed one thousand dollars (\$1,000) for each act or omission which constitutes a violation of this Chapter or a rule or an order.

- (2) Issuing a cease and desist order that directs that the person cease and desist specified fund-raising activities.
  - (3) Refusing to register or cancelling or suspending a registration.
  - (4) Placing the registrant on probation for a period of time, subject to such conditions as the Department may specify.
  - (5) Issuing of a letter of concern.

- (g) Disposition of Penalties. – The clear proceeds of penalties provided for in subsection (e) of this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

**§ 131F-24. Civil remedies and enforcement.**

Upon a finding that any person has violated this Chapter, a court may make any necessary order or enter a judgment, including a temporary or permanent injunction, a declaratory judgment, the appointment of a master or receiver, the sequestration of assets, the reimbursement of persons from whom contributions have been unlawfully solicited, the distribution of contributions in accordance with the charitable or sponsor purpose expressed in the registration statement or in accordance with the representations made to the person solicited, the reimbursement of the Department for attorneys' fees and costs, including investigative costs, and any other equitable relief the court finds appropriate. (c) Voluntary Compliance. – The Attorney General may terminate an investigation or an action upon acceptance of a person's written assurance of voluntary compliance with this Chapter. Acceptance of an assurance may be conditioned on commitment to reimburse donors or to take other appropriate corrective action. An assurance is not evidence of a prior violation of any of this Chapter. Unless an assurance has been rescinded by agreement of the parties or voided by a court for good cause, subsequent failure to comply with the terms of an assurance is prima facie evidence of a violation of this Chapter.
